Hi Don,

Karen asked that I send you a picture of the tree she said was dead.

I also included a picture of two shopping carts that I believe have been chained to that pole for a while. If memory serves me (not always) I sent ricky out there with bolt cutters, but they weren't big enough to do the job.

I will have andy look at the sidewalkwe may decide we want to pay for it ourselves. I will keep you posted.

Miki
